CS 297 - Fall 2022

1   Abstract

Write a research summary

2   CS 297 Results

- Simulator of ...

- Simulation results of ...

- Paper ...

3   Schedule

Due Date	Action Item	Deliverable
Feb 7	Implement the simulator code	Simulator for simple scenarios
Feb 21	Run experiments with 256x256 images	Plotted Results

4   Key Deliverables

4.1   Software

- sample

4.2   Report

- sample

5 Challenges and Innovations

6 Related Works

This paper [1] does this and that, but it does not cover this aspect. That's why my project needs to fill the gap to realize this and that.
